If your troop has never been camping, or is just looking for a fun workshop to get ready for camping, then this is perfect workshop for your troop. We will enjoy some of the traditional activities of camping with the Girl Scouts, but in the comfort of Kresge Hall at Camp Potomac Woods. Girls will enjoy a night of songs, games, crafts, indoor camping activities and receive a special patch for their participation.

Or if you're ready to spend the night, your troop can stay until 8AM for some late night fun such as a pajama fashion show, s'mores, and late night stories around the campfire.

A traditional camp snack will be provided Friday evening and breakfast for those attending the lock-in. Additional instructions will be provided after registration. Thanks!
