

Camp Potomac Woods Spring Cleanup

For my Silver Award Project, I am organizing a Spring Cleanup Day GSCNC's well-loved Camp Potomac Woods. Girls will be divided into work teams and assigned different units with a list of tasks. Example tasks are:

- * Scrub out washstands (bleach)
- * Paint and organize tools (brooms, rakes, shovels, etc) per unit
- * Wash windows of lodges
- * Clean up litter
- * Stack wood at units

Girls should bring rubber gloves as well as work gloves.

In addition, the following items are needed if anyone is willing to donate:

- * Paint brushes, rollers, roller covers, and paint trays
- * Windex, bleach, and Fantastik
- * Scrub bushes and sponges

Work dates are:

April 18 2pm-5pm

April 25 1pm-5pm

May 2 1pm-5pm

Junior and Teen volunteers are needed to assist for each of the above dates. Please email Elizabeth Morton at ebethmorton@mac.com to signup to help or with any questions.

Thanks so much for the help and support!
