

is proud to announce

'Making It Matter' Engineering Badge Days

Sunday, December 12, 2010

Marshall Ruritan Club: 8400 Salem Avenue, Marshall, VA 20115

Program will start promptly at **2:00 PM** and end at **5:30 PM**

and

Saturday, January 15, 2011

St. Elizabeth's School – All Purpose Room/Cafeteria

917 Montrose Road Rockville, MD 20852

Program will start promptly at **10:00 AM** and end at **1:30 PM**

SWE will help Junior and Teen level Girl Scouts earn the *Making It Matter* engineering badge by performing seven hands-on, fun experiments to teach basic engineering concepts. The purpose of the program is to introduce and encourage young girls and women to pursue careers in engineering. Activities include civil, mechanical, electrical and chemical engineering. All supplies and a snack will be provided. A ceremony will be held at the end of the program where each girl will receive a certificate.

First come, first serve and **this program is expected to fill up quickly!** Please register at <http://www.baltwashswe.org/eventslist> (note that registration will close one week before the event is to occur). **\$5.00** fee per girl will need to be paid to reserve your spot and will be used for supplies, badges, and snacks. Financial aid is available for troops that need it.

Special thank you to Association 90 and Service Unit 33-7 for helping to organize these events!
