

Activating Individual Girl Accounts

All families are encouraged to activate their daughter's individual account before January 2011. All camp registrations will be processed through individual accounts on the online system. It is crucial that each family has activated their daughter's account before Day Camp Registration begins.

Our Day Camp Programs are in high demand and fill up quickly. Don't let a registration delay prevent you from claiming a spot at your favorite camp this summer!

Instructions

First Time Visitors:
You will need to Create Login to use this site.
To Create Login:
1. Scroll down on the page and enter your First Name, Last Name and Email Address. These must be entered exactly as recorded in our system though Membership Registration and click continue.
2. You will then receive an email that will contain a link to create your username and password.
3. Once you create a user name and password you will be logged in to the site.
Please Note: You will need to Create Login for the person that you wish to register. For example, if you want to register your daughter to attend a program, you will need to activate her account. Only those designated as a troop leader will be able to access the troop management screens.

New to Girl Scouts:
If you are brand new to Girl Scouting or have been instructed to create a profile, click [here](#). When you are creating your profile, if you get a duplicate customer warning contact the GSCNC Helpdesk at helpdesk@gscnc.org or 202-237-1670 with your name and email address.

If you are having difficulties creating a login or if the email address on file is no longer valid, please contact the GSCNC Helpdesk at helpdesk@gscnc.org or 202-274-3328
