

What So Proudly We Hailed...

Flag Retirement Ceremony

Conducted by
Brownie Troops 13, 4101 and 3680

The flag of the United States of America flies with dignity wherever girl scouts gather across our nation. Girls are taught to honor the flag, and when it becomes worn, torn, faded or badly soiled, the banner of our nation deserves to be retired with the same dignity and respect it received when flying high.

Do you have a flag that needs to be properly retired? The girls of Brownie Troops 13, 4101 and 3680 pledge to honor your worn, torn, faded or soiled flag with a Flag Retirement Ceremony.

Give your flag to any troop member or place it in the drop box at:

206 Wild Turkey Way
Leesburg, Virginia 20175

Please deliver your flag by **Wednesday May 4** to be honored in this ceremony. For information or to **arrange to have your flag picked up**, call 540-454-3105.
